

D Y Patil International School, Worli introduces Cambridge AS & A Levels (News in Mumbai Mirror)

D Y Patil International School, Worli was established in the year 2008 with a vision to become the aspiring school that will help students to gain self-confidence, accomplish goals, develop life skills to become future leaders. Over a decade, this has been possible with all the necessary support given by Ajeenkya D Y Patil Group in terms of well-qualified, highly-skilled, and approachable teachers and staff. The Chairman, Dr Ajeenkya D Y Patil believes that students should focus on absorbing knowledge with evolving technology rather than focusing on getting good grades.

At DYPIS Worli, the students are trained for life with problem-solving abilities, and decision-making capabilities to become global leaders. Students learn to think both critically and creatively. The development is holistic; academic, creativity, social, physical, and emotional; which aims to create prolific individuals and conscientious world citizens.

Considering the varying needs and aspirations of our students, DYPIS Worli has launched Cambridge AS & A Levels Programme (Grade 11 & 12) for the academic year 2022-23. Currently, the school offers the IBDP programme (Grade 11 & 12). With the introduction of the AS and A levels, after grade 10, students will have more options for their study after grade 12.

Both Cambridge AS & A levels & IBDP Programme are well recognised high school programmes across the world. It is the approach to teaching, learning and assessments that make them different. The counselling team at DYPIS Worli will guide parents and students to select what suits them best.

Cambridge International A-Levels is typically a two-year course, and Cambridge International AS Level is typically one year. So usually, most learners complete the A level i.e 2 years together and that is what a student would be doing in D Y Patil International School, Worli.

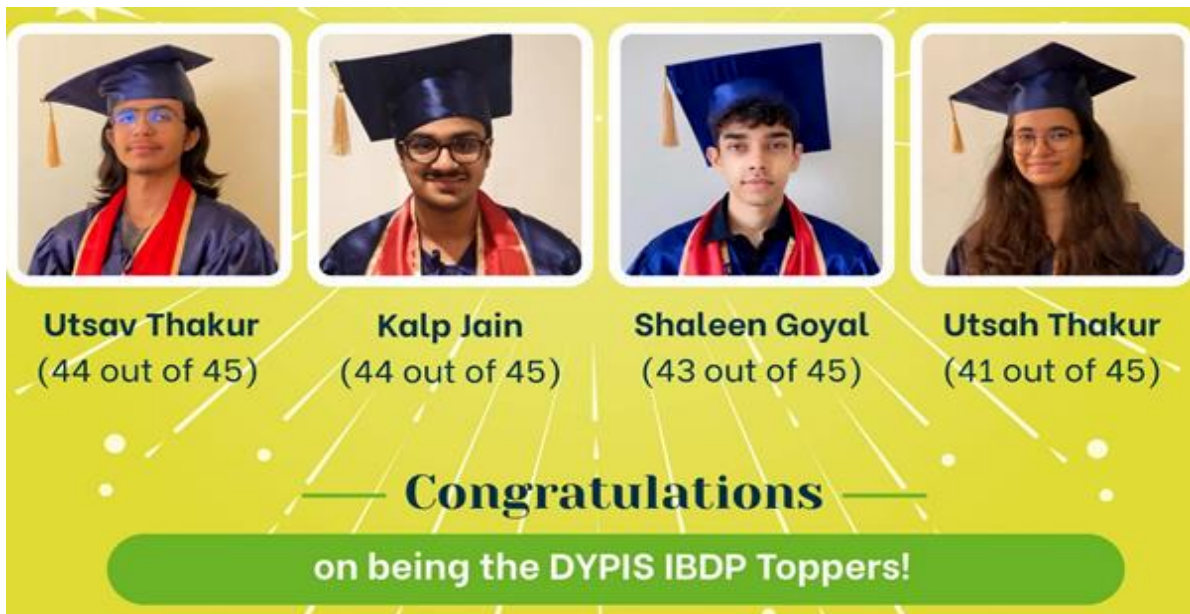

The Cambridge AS & A Levels programme supports and develops student’s knowledge, understanding and skills through in-depth subject content and independent thinking. It focuses on the application of knowledge and learning. It promotes logical thinking and decision making.

DYPIS Worli offers two esteemed international curricula of the International Baccalaureate (IB) programme and Cambridge Assessment International Education (CAIE) – so that the students can have the choice to study the programme that is best for his/her future career.

Progression at D Y Patil International School, Worli & DYPIS IBDP Academic Accomplishments

The infographic is divided into two main vertical sections. The left section shows the educational progression through five levels: Playgroup to Sr. KG (International Baccalaureate [IB] Early Years Programme), Grade 1 to 5 (International Baccalaureate [IB] Primary Years Programme), Grade 6 to 8 (Cambridge Secondary), Grade 9 & 10 (Cambridge IGCSE), and Grade 11 & 12 (2 options) (Cambridge AS & A Levels or IBDP - International Baccalaureate Diploma Programme). The right section, titled 'DYPIS IBDP Accomplishments', features a large golden trophy on the right with 'IBDP Class of 2021' inscribed on it. To the left of the trophy are four blue bars with white text: 'Highest Score - 44 points out of 45', 'Students average - 37.17 points', '72 % have scored 35 points & above', and '70% of the grades are 6 & above'. At the bottom of this section are the logos for D Y PATIL INTERNATIONAL SCHOOL WORLI and the International Baccalaureate (IB) organization.

The IBDP class of 2021 has achieved outstanding results. The Academic Director, Ms Ashoka Tenzin and Head of School, Ms Kinnari Shah stated that excellent results were the outcomes of students' hard work, dedication and their commitment. They thanked all the Teachers, Staff, Management, and Parents who supported them throughout these unprecedented times and congratulated the Toppers Utsav Thakur (44 points out of 45), Kalp Jain (44 points out of 45), Shaleen Goyal (43 points out of 45) and Utsah Thakur (41 Points out of 45) for their remarkable achievements.

In these unprecedented times, the teachers were trained to deliver the online content through a virtual learning platform and consistently deliver the content with the help of new innovative teaching methodologies. They have strategically used engagement platforms like hyperdocs, bitmojis, various online quiz apps, Pear Deck, flipgrid etc. in their lesson plans. Interactive strategies are indeed a need of an hour and it has been delivered well by the teachers. These innovative methods have helped students to participate and engage more productively even while the classes are held virtually.
